

EXAMPLES OF WHAT TO COLLECT FOR YOUR CHRISTMAS WREATH

- Wear gloves and long sleeves – some plants/berries are poisonous or can irritate the skin
- Take strong scissors or secateurs and a 'bag for life' type bag for collecting
- Only collect from public spaces such as parks, local woods and don't take a lot more than you need

Pine cones

Dried seed head/grasses

Bay tree branches

Rose hips and other winter berries

Fir and spruce branches

Cedar, Conifer and Leylandii

Holly

Ivy
